Sir,

Re the grant of privilege to Konanur Minor Municipal Council to elect a non-official President

---

I have the honour to state that the question of having a non-official president elected from among the members is considered by the Minor Municipal Council of Konanur at their meeting held on 29-6-1948 and they have resolved to have an elected non-official President - his term of office being limited to one year Konanur is a Hobli Headquarter and the Amildar of Arsikere Taluk is at present the ex-officio President of this Municipality The Amildar is also an ex-officio president of the Arsikere Minor Municipality Konanur is 14 miles away from Arsikere and the Amildar may not be able to devote sufficient attention to the work of two Municipalities Besides he is also the Secretary of the Municipal High School

In the above circumstances it is desirable to grant the privilege of electing a non-official president in the interest of efficient Municipal administration I, therefore, request that sanction of Government may kindly be obtained to the proposal of the Municipal Council to have an elected non-official president - his term being limited to one year, as agreed by the Municipal Council, and the election being held every year

This Municipal Council was reconstituted for a period of three years with effect from 1-7-1947 A copy of the resolution is enclosed

Sir,

Re the grant of privilege of electing a non-official President to Konanur Minor Municipal Council

---

With reference to your letter No L 1672 dated 16-8-1948 calling for information re the financial condition of the Municipality and enquiring whether there is sufficiency of men who could take up the responsibilities of a President etc, I write to state as follows -

A copy of the statement showing the financial condition of the Municipality for the last three years as enclosed The arrears of contributions due to several Departments are noted below -

Contribution towards Combined Dispensary due from 42-43	10,000/-
Arrears of water maintenance charges due from 43-44	30,000/-

Re the 1st item it is stated that the entire cost has been claimed instead of 1/3rd and that a reference has been made to the Senior Surgeon in the matter

Re the 2nd item it is stated that the Department is claiming payment according to the estimate and not according to the actual amount due every month and that outlay statements have been called for

The Municipal President was requested to report as to how it is proposed to pay these outstanding dues and a reference has been made to Government in this behalf vide letter No L C 136/48-49 dated 25-8-1948

The Municipality is not in a position to pay these arrears in one lump and this question will have to be dealt with separately Re the sufficiency of men who could take up the responsibilities of the President it may be stated that there are two persons viz, Sri K S Narayana Rao and Sri K Venkataramaiya who have previously worked as Vice Presidents and well conversant with the Municipal administration

In view of the circumstances explained in my letter No L C 92/48 dated 19-7-48 it may not be desirable to grant the privilege to ~~kk~~ 49 this Municipality until they clear the arrears relating to water-maintenance charges and contribution to Combined Dispensary
